

# ROBIN HOOD

## DJ • PRODUCER • TURNTABLE WIZARD

### The Narrative

From a birth announcement in Billboard Magazine to managing the legendary Silver Cord Studio, Robin Hood's career is defined by elite technical production.

With over 20 years immersed in the music industry as a producer, audio engineer, and Dee-Jay, Robin Hood brings a globally-tested, highly refined ear to the decks. Relocating from the NYC underground to Los Angeles, his sets are built on a foundation of pristine sound and flawless curation. Whether driving a warehouse with underground tech house, commanding an open-format room, or pulling from a massive, exclusive archive of white label drum & bass, Robin crafts dynamic, high-energy sonic experiences designed to move the floor.

Performances and footprint spanning major markets including New York City, Los Angeles, Miami, Chicago, and Toronto. Touring much of North America, parts of South America, & Europe.

Extensive background in live event production, organizing and headlining premium, boutique music experiences.
